

Ask around and you will hear. PRI training is really good. We have built our courses around real-world experience combined with legal compliance and best practices founded upon extensive work in police records operations. Each course is state-specific. We provide our courses around the country according to each state's most recent legal requirements.

## Actual Course Comments

*"I have attended many seminars and training classes over the last 20 years in law enforcement; I have to say with certainty, yours was simply amazing. You are very informed about the topic you teach. VERY informed."*

*"Compared to other records seminars, this blows them out of the water!! Not the same dry instruction, but actual real world conditions. The ideas for improving 'systems' and 'people' were sound and logical. Fantastic!"*

*"I attended the Crime Stats and UCR for the Police Executive seminar. As with the others, the class was very informative. Thanks for another great class!"*

*"I have attended other records management seminars in the past and this one was far above any of the others. Thanks for a great class."*

*"No suggestions. really enjoyed the class. We will be taking the UCR class in March and are very excited to get everything started for our own records unit."*
