

Law enforcement records and IT specialists.

# **UCR SERVICES**

### CONVERSION + AUDITS + TRAINING

From NIBRS conversion services to crime data audits, our expertise will provide you with independent, verifiable accurate statistics. We have corrected vendor-provided faulty statute tables, implemented NIBRS compliant RMS, developed workflows to ensure efficient report processing, and provided the training needed to put it all together.

- + Statute tables
- + Data conversion
- + Systems implementation
- + Certification
- + Training
- + Data analysis and monitoring
- + System testing
