MANAGEMENT GROUP

Ensuring project success requires planning, a defensible procurement process, project management skills, and insight into what systems and vendors are right for your agency. This 2-day executive-level course is a money back guaranteed program that will cut your project time in half and help ensure a successful outcome.

You will receive customizable CAD/RMS project-specific documents that are pre-populated with full content yet formatted to allow for customization and collaboration. These documents are based on years of experience writing RFPs and managing projects for our law enforcement agency clients.

- + A CAD/RMS RFP
- + Project Charter
- + Project Work Plan
- + Scoring Sheets
- + Risk Matrix
- + Communications Plan

Virtual attendance optional. Attend live presentation online and download all course resources.

You will learn the skills needed to:

- + Effectively communicate your vision to the vendor community via a concise RFP
- + Manage a complex project with the right team and tools in place
- + Review and score vendor proposals
- + Evaluate the current market place and system offerings
